RICORDI?

Quali sono i termini della divisione?

$$\begin{array}{ccccccc} 28 & : & 4 & = & 7 \\ \text{DIVIDENDO} & & \text{DIVISORE} & & \text{QUOTO} \\ & & & & \text{(QUANDO IL RESTO È 0)} \end{array}$$

Risolvi le seguenti divisioni in colonna sul tuo quaderno. Sottolinea con colori diversi il **dividendo**, il **divisore** e il **quoto** (ricordati di scrivere la legenda).
